Yo for the ladies, two-hundred and thirty-five pounds  
of beef

(Uh-huh) Chinky eyes, low ceasar, gold teeth

Swingin with this here stud, you need practice

I'm leavin floods of blood.. aiyyo

Who wanna deep throat the don dick (who?)

One bomb bitch can get a nigga freaky enough to fuck  
they armpits

Wear you out doggiestyle with some (?) lit

The splash in your ass crack make your thong stick

Face fuckin, come in all in they blonde shit

The annacond' spit all in your palms and lips

Face down and ass up (c'mon) beat it up like brass  
knucks

Two nasty ass mutts with they ass stuck

Plenty women to hit, sweet brown cinnamon stick

Try to tear the rim of the shit

Only rock with them feminine chicks

(?) balls through my linen and shit, you fly bitch?

Put a VS-1 five carat gem in her clit

Mediocre bitches spit on the dick

I don't feed the needy, rich old cracker bitch see me

I'll be happy you paid to see me pee pee

[repeat 3X]

"I ain't bullshittin.." -> G. Rap

[Cage]

Two thousand and one don't fill 'em full of cum  
Bring it to the sperm bank for the nurse tongue  
I need a slut to rip a horn off a rhino  
Play the gyno and stick my arm up her dimehole  
Exactly four years from today  
The Olsen Twins'll be in they first three way  
Even though bitches is gettin (?) from it  
Pull out and paint the map of Hawaii on your stomach!  
.. or should I hit the tit?  
Knock the infant off the other jug and then proceed to  
sip  
.. I smack chicks that bite dicks  
Give 'em lockjaw then make 'em fight pits  
.. Ain't no virgin suicides  
It's birthed backwards but your baby's got one eye  
.. Still stalk my ex  
Pull out the cockler, and make her talk like sex

[repeat 3X]

[Eon]

I'm gettin clits wet under fishnets  
I love to see how freaky a bitch gets  
Shave the wolf(?) and like Macy Gray  
If you lookin like Ms. Melodie or Beyonce  
Hoes and freaks get the kosher meat  
Hit your whorehouse and leave it closed for weeks  
"The 'P' Is Free" I ain't payin money  
So all you little sluts, come and jump on me  
Christie Canyon, I love you  
If I ever met you I'd wanna fuck you and a suck too  
All co-eds that gargle jizz  
So young don't even know what a condom is  
Hand prints when the E spansks her  
Sex watchin Scarface, now that's gangsta!  
Pussy first, and the ass is next  
Dick Starbuck.. and I'ma talk like sex

[Kool G. Rap]

Ya heard? Thug style bitch  
You know the deal  
Rockin along with my niggaz Dick Starbuck

Don't get it fucked up, they some nasty motherfuckers  
Get your motherfuckin hymen ripped out

{\*scratched to fade: "talk, like, sex"\*}
