When Alice has an answer it's a common rationality
She measures her phrases, tipping the scales of reality
But does she know that it's cold to sing songs to a
troubled heart
Tho' her aim is sincere she's missing the mark

Chorus:

She paints her world in yellow and green, covering over
the greys
'Cause life's demands are hard to understand
So Alice stays lost in her wonderland

I said - Alice look around you, people are falling to
pieces
Yea, even the faithful, the ones who still believe in
Jesus
But that doesn't mean they've fallen from grace
But in her landscape, their heartache is so out of place

CHORUS

So can we talk of shoes and of ships?
Can we talk of cabbages and kings?
And of learning to live with the mystery of things

CHORUS

So Alice stays lost in her Wonderland
