Fear in the journey
Joy in the coming home
A part of the heart
Gets lost in the learning
Somewhere along the road.

Chorus:
Along the road, your path may wander
A pilgrim's faith may fail
Absence makes the heart grow stronger
Darkness obscures the trail.

Cursing the quest
Courting disaster
Measureless nights forebode
Moments of rest
Glimpses of laughter
Are treasured along the road.

Along the road your steps may stumble
Your thoughts may start to stray
But through it all, a heart held humble
Levels and lights your way.

Ahhhh.

Joy at the start
Somewhere along the road

Somewhere along the road
Somewhere along the road...
