(Jennifer Kimball - Tom Kimmel)

The touch of His hand will let me know
He takes me in and lets me go
If not for love, who would believe
Thy kingdom come, Thy will be done, in you and me.

We're lifted up by angels
Higher than the world
Strong enough to leave it.

Bound to learn the secrets
Angels never heard
Close enough to heaven
Far above the rain
Darkness cannot reach us.

Let the angels teach us
Only love remains.

We're lifted up by angels
To understand, yet never say
How every plan would fade away
If not for love, where would we be
Ashes to dust, water to rust, eternally.

We're lifted up by angels
Higher than the world
Strong enough to leave it.

Bound to learn the secrets
Angels never heard
Close enough to heaven
Far above the rain
Darkness cannot reach us.

Let the angels teach us
Only love remains.

We're lifted up by angels
Given wings to fly

Leave the night behind us
Trust the light to find us
Even as we rise.

We're lifted up by angels
Higher than the world
Strong enough to leave it.

Bound to learn the secrets
Angels never heard
Close enough to heaven
Far above the rain
Darkness cannot reach us.

Let the angels teach us
Only love remains.

We're lifted up by angels...
