Yeah

There's a great big beautiful world out here  
But you can't see it through all those tears  
Since she broke your heart it's been nothin' but pain  
Baby come on out of the rain

You can sink right down to the bottom of the blues  
You can drown in self-pity but that just ain't you  
Sooner or later you gotta make a change  
Baby come on out of the rain

Got my arms wide open, got a heart that's true  
I'm standin' here waitin', just to comfort you  
Hate to see you so lonely, hate to see you this sad  
Let me give you the love you need so bad

Baby don't be sad and don't be afraid of a helpin' hand  
Open your eyes don't you understand  
I'm crazy about you, I'm callin' your name  
Baby come on out of the rain

Oh, got my arms wide open, got a heart that's true  
I'm standin' here waitin', just to comfort you  
Hate to see you so lonely, hate to see you this sad  
Let me give you the love you need so bad

Baby don't be sad and don't be afraid of a helpin' hand  
Open your eyes don't you understand  
I'm crazy about you, I'm callin' your name  
Baby come on out of the rain

Since she broke your heart it's been nothin' but pain  
Sooner or later you gotta make a change  
I'm crazy about you, I'm callin' your name  
Come on out of the rain  
Oh baby, come on out of the rain, yeah
