You are my Shepherd, I'm Your little lamb
You lead me to the still water here in the pastureland
Sometimes I willfully wander
that's when I stumble and fall.

Chorus:

I hunger and thirst for mercy
I hunger and thirst for Your name
If I hunger and thirst for anything but You
I hunger and thirst in vain.

You are my Father, I'm Your little child
You make a place at Your table
and ask me to stay awhile
I want to stay in Your presence
I want to feast in Your hall.

Chorus:

I hunger and thirst for mercy
I hunger and thirst for Your name
If I hunger and thirst for anything but You
I hunger and thirst in vain.

Heavenly Father, watch over me
Take me where healing waters run deep.

Chorus:

I hunger and thirst for mercy
I hunger and thirst for Your name
If I hunger and thirst for anything but You
I hunger and thirst in vain.

I hunger and thirst in vain
I hunger and thirst for Your name
If I hunger and thirst for anything but You
I hunger and thirst in vain...
