What can wash away my sin, nothing but the blood of
Jesus
What can make me whole again, nothing but the
sacrifice
I don't understand how You could save someone like
me
But here in Your hand there's no place my heart would
rather be.

Chorus:
Without Your love, there'd be no healing
There'd be no blood raining down to cover me
I once was lost but You found me and brought me here.

Even though at times I walk in the valley of the shadow
I know You're watching over me and so I have no fear
I rest in Your field and I feel safe within Your fold
The water is still right here where You restore my soul.

Chorus:
Without Your love, there'd be no healing
There'd be no blood raining down to cover me
I once was lost but You found me and brought me here.

Chorus:
Without Your love, there'd be no healing
There'd be no blood raining down to cover me
I once was lost but You found me and brought me here.

--- Instrumental ---

I once was lost but You found me and brought me here
Now there's a halo over me in amazing grace land.

Chorus:
Without Your love, there'd be no healing
There'd be no blood raining down to cover me
I once was lost but You found me and brought me here.

In amazing graceland...

--- Instrumental to fade ---
