Sometimes the hardest people to say I love you to
Are the ones you love the most, I don't know why this is
so

Maybe it's the years, the pride, the tears, the fear
The pain, I don't know, I don't know.

When I was nurtured in your nest, you held my hand
For that I owe you so much, and those memories are
mine

And I never want to lose them, but now these tender
wings are dry
But I'll never learn to fly if you don't let me use them.

Chorus:

Let me go, let me live or die a fool's death
Let me laugh, let me cry, let me learn the hard way
Let me grow, let me go.

I am standing at the crossroads, looking on my life
So many choices to make but I have to choose
So hold me in your dreams, hold me in your thoughts
Hold me in your prayers and hold me in your heart and.

Chorus:

Let me go, let me live or die a fool's death
Let me laugh, let me cry, let me learn the hard way
Let me grow, let me go.
...Let me grow, let me go.
