Well I think it's time to get ready  
To realize just what I have found  
I have been only half of what I am  
It's all clear to me now

My heart is on fire  
My soul's like a wheel that's turning  
My love is alive  
My love is alive

There's something inside  
That's making me crazy  
I'll try to keep it together  
Cause what I say may not happen the same way  
Now could mean forever

My heart is on fire  
My soul's like a wheel that's turning  
My love is alive  
My love is alive

My love is alive  
My love is alive

There's a mirror moving inside my mind  
Reflecting the love that you shine on me  
But hold on now to that feeling  
Let it flow, let it grow

My heart is on fire  
My soul's like a wheel that's turning  
My love is alive  
My love is alive

My love is alive  
My love is alive
