Spinning like a wheel round and round I go over you
Too good to be real, how you're moving me
I'm lost in a whirlwind so this is how it feels
Spinning like a wheel so in love with you

Falling like the sand
Deeper than I ever have before
When you take my hand
You take me to forever

A sweet touch, a heart rush
Now I can't catch my breath
Falling like the sand
Through the hands of time

And who knows why
Sometimes a love is not enough to hold its own
But I know I can see enough of love in us to know
That this is good and this is strong
So hold to me and I'll belong to you

And who knows why
Sometimes a love is not enough to hold its own
But I know I can see enough of love in us to know
That this is good and this is strong
So hold to me and I'll belong to you

Spinning like a wheel round and round I go over you
Too good to be real, how you're moving me
I'm lost in a whirlwind so this is how it feels
Spinning like a wheel so in love with you
Spinning like a wheel so in love with you
