All alone on a summer evening, and the twilights oh so  
clear  
Another sunset slowly fading, stars are starting to  
appear  
And in the midst of all this wonder, my troubles  
disappear  
Caught up in Your presence, Lord as You draw near I  
am

Waiting for Your love to come down  
Oh I will be waiting, for Your love to come down  
Your tender mercies are the strength that I have found  
My heart is longing now, waiting for Your love to come  
down

Time and time again I've wandered, down the road to  
anywhere  
Looking for a love unchanging, searching for it  
everywhere  
Till the day when love came calling, answered my  
every prayer  
Heaven knows where I would go without You there so  
I'm

Waiting for Your love to come down  
Oh I will be waiting, for Your love to come down  
Your tender mercies are the strength that I have found  
My heart is longing now, waiting for Your love to come  
down

I don't need to be persuaded  
Nothing on earth can fill this craving  
I just need Your love, that's why I'm

Waiting for Your love to come down  
Oh I will be waiting, yeah yeah, for Your love to come  
down

For Your love I will be waiting  
For Your love I will be waiting  
For Your love I will be waiting  
I'll be waitin

For Your love I will be waiting  
Oh I'll be waiting  
Your tender mercies are the strength that I have found  
My heart is longing now, waiting for Your love to come  
down
