Whistle down the wind  
Let your voices carry  
Drown out all the rain  
Light a patch of darkness  
Traacherous and scary

Howl at the stars,  
Whisper when you're sleeping  
I'll be there to hold you  
I'll be there to stop the chills and all the weeping

Make it clear and strong  
So the whole night long  
Every signal that you send  
Until the very end  
I will not abandon you, my precious friend

So try and stem the tide  
Then you'll raise a banner  
Send a flare up in the sky,  
Try to burn a torch  
And try to build a bonfire

Every signal that you send  
Until the very end I'm there

So whistle down the wind  
For I have always been right there  
Oh yeah

Howl at the stars  
Whisper when you're sleeping  
I'll be there to hold you  
I'll be there to stop the chills and all the weeping

Try and stem the tide  
Then you'll raise a banner  
Send a flare up in the sky,  
Try to burn a torch  
And try to build a bonfire

Every signal that you send  
Until the very end I'm there

So whistle down the wind  
For I have always been right there
