All of me belongs to you all the time you're the only one
that's ever on my mind
There's no way that I would ever be untrue
Not one single part of me that don't miss you through
and through
All of me belongs to you
Eyes are worthless since you're not here to see
Lips are so forgotten since you forgotten me
My arms ached from reaching out to you the way they
do
There's not one single part of me that don't miss you
through and through
All of me belongs to you
Fingers claw the darkness in my dreams searching for
the love I lost but can't redeem
I'm yours and I can't give my heart to someone new
There's not one single part of me that my heart don't
inlude all of me belongs to you
[guitar - piano]
Fingers claw the darkness...
