Arkabutla, I'm Paris bound  
but not across the water  
feelin' lonely as I am  
feelin' lonely 'cause I need you by my side  
I need you - do you need me like I need you?  
countin' 20, countin' 30 or is it 65?  
I'm losin' count, losin' sleep 'cause in my mind  
I see you there a thousand times  
I need you - do you need me like I need you?  
In my mind I see you only  
God, I wish that you could hold me  
I miss you - do you miss me?  
Then kiss me and hold me and I'll hold you  
Arkabutla, I'm Paris bound  
but not across the water
