Got yer mama's eyes, got yer mammas eyes  
Angel from the sky, got yer mammas eyes  
Got yer daddy's ways, got yer daddy's ways  
Leavin' every day, got yer daddy's ways  
Cross this black sea, promise me  
If'n you were me, if'n you were me  
Would you walk that sea, if'n you were me?  
Wearyin' for you, wearyin' for you  
That's what I would do, wearyin' for you  
Cross this black sea, promise me  
Closer than ya seem, closer than ya seem  
Realer than a dream, closer than ya seem  
Deeper than a well, deeper than a well  
Much too deep to tell, deeper than a well  
Cross this black sea, promise me  
Dawn turnin' red, dawns turnin' red  
Lay back in the bed, dawn turned to red  
Got yer Mammas touch, got yer Mammas touch  
but ya got yer daddy's ways
