Happiness is something that we all need plenty of  
It starts from deep inside your heart when you've  
someone to love  
So if you're not as happy as you feel you ought to be  
Find someone in this world to love and have a happy  
heart like me  
I've got a happy heart I feel like I could almost fly  
I think if someone shot me that I wouldn't even die  
Just find someone to live for and to love and then you'll  
see  
Why I've got this happy heart inside of me  
[ guitar ]  
A smile is so becoming yet how many times it's true  
A person wears a frown cause it's a habit to be blue  
Sometimes it takes convincing that life can't be all that  
bad  
Just take a look around you and you won't feel quite so  
sad  
I've got a happy heart...  
Why I've got this happy heart inside of me
