Cain and Abel were bound by blood
Cain sent Abel back to mud
He did it out of jealousy
So God cursed humanity

Sampson, He could kill a lion
Delilah slayed men without even tryin'
She took hold of Sampson's hand and said
"I will make you a mighty man"

Oh, how the mighty have fallen
Watch the mountains crumble to the sea
Oh, how the mighty have fallen
You make one false move
And you're history

Cleo said to Anthony
"Honey, I will concur thee!"
Don't matter who did what to who
Things fall apart when love ain't true

Oh, see how the mighty have fallen
Like a mountain tumbles to the sea
Oh, how the mighty have fallen
One false step and it's history

The great ones never last
They burn out way too fast
The great ones they never learn
They just tumble when it's their turn

"Eat Cake!" said Miss Marie
"Heads will roll if ya stick with me!"
What's to do at Waterloo?
Stand back and enjoy the view

The price of sin, the wage of war
Don't matter we come back for more
'Cause every Judas has his price
Every angel has their vise

Oh, how the mighty have fallen

Watch the mountains crumble to the sea
Oh, how the mighty have fallen
Ya make one false move...you're history
