Save me from loneliness rescue me with your love
I'll be safe just as long as you keep me wrapped tightly
in the arms of love
The arms of love are all I need around me
But I don't know what I'd do if you should go

So please give me what I dream of the kind of dream
sent from above
I'll be satisfied as long as you keep me wrapped tightly
in the arms of love
The arms of love are all...

Keep me in tightin'ness give me all your love
I won't cry a single tear if you'd keep me wrapped
tightly in the arms of love
In the arms of love
