I've waited a long time for you to show
am I standin' in the right line
well please let me know
tangled up emotions
I can't free myself
I can't help it babe
I'm drownin' in your wishin' well
will you love me one time
will you love me again
Well I'm walkin' a fine line
down the middle of the road
and I'm stuck in the meanwhile
between the highs and the lows
I would swim the ocean
just to let you know
of my deep devotion
babe I just can't let you go
will you love me one time
will you love me again
don't be scared now
I ain't crazy
I just want to love you
well ya might as well give in
'cause I ain't givin' up
ya know it ain't no sin
so drink from my cup
will you love me one time
will you love me again and again...
