Asleep

Please, oh, please let me fall asleep

It's like heaven when I sleep

Until morning I forget her

I lie awake in my lonely bed

In a room without a light

Trying hard to find a dream

That gets me through the night

But sleep won't come, it's never there

Since you're no longer mine

And sleep is such a precious thing

With your memory on my mind

Asleep

Oh, please let me fall asleep

It's so peaceful when I sleep

Until morning nothing matters

Asleep

If I could only fall asleep

It's like heaven when I sleep

Until morning I forget her

I hate to see the sun go down

And face another night

I watch the shadows climb the wall

As they try to catch the light

Asleep

Oh, please let me fall asleep

It's so peaceful when I sleep

Until morning nothing matters

Asleep

If I could only fall asleep

It's like heaven when I sleep

Until morning I forget her

Asleep

Oh, please let me fall asleep  
It's so peaceful when I sleep  
Until morning nothing matters
