A new boy came to town

I ain't seen you around

I feel a brand new heartache comin' on

It happened once before

When a guy moved in next door

I feel a brand new heartache comin' on

Why can't I trust in you?

Why do you try to make me blue the way you do?

Last night we planned a ball

You never showed at all

I feel a brand new heartache comin' on

(instrumental)

Why can't I trust in you?

Why do you try to make me blue the way you do?

Right now we've got a date

& you're 3 hours late

I feel a brand new heartache comin' on
