Bye bye love
Bye bye happiness
Hello loneliness
I think I'm-a gonna cry-y
Bye bye love, bye bye sweet caress
Hello emptiness
I feel like I could di-ie
Bye bye my love buh-bye

There goes my baby with-a someone new
She sure looks happy, I sure am blue
She was my baby till he stepped in
Goodbye to romance that might have been

Bye bye love
Bye bye happiness
Hello loneliness
I think I'm-a gonna cry-y
Bye bye love, bye bye sweet caress
Hello emptiness
I feel like I could di-ie
Bye bye my love buh-bye

I'm-a through with romance
I'm a-through with love
I'm through with a-countin' the stars above
And here's the reason that I'm so free
My lovin' baby is through with me

Bye bye love
Bye bye happiness
Hello loneliness
I think I'm-a gonna cry-y
Bye bye love, bye bye sweet caress
Hello emptiness
I feel like I could di-ie
Bye bye my love buh-bye
Bye bye my love buh-bye
