Don't let the whole world know; go on home, boy  
Don't just stand there alone; go on home, boy

She made a fool of him  
They split, it's done, it's through  
Don't let the whole world know; go on home, boy

She had no use for him  
Not like she used to do  
Don't let the whole world know; go on home, boy

Don't Forget To Cry  
(Bourdleaux & Felice Bryant)

You always said you'd shed a million teardrops  
If we should part, if ever we should part  
But now you're gonna leave me high & dry  
Goodbye baby, don't forget to cry

You said your tears would build a brand-new river  
If we were through, if ever we were through  
But now somebody new has caught your eye  
Goodbye baby, don't forget to cry
