Ah, the morning after the sound of laughter
Is hollow and thin
The sound of tears falls on my ears
Just how it all went wrong is not very clear
My pillow is cold, I feel the fear

I don't wanna love you
But I do, I do, I do, I do, I do
Something in my heart tells me be still
(Ba, ba, ba, ba, ba, ba)

I don't want to love you
But I do, I do, I do, I do, I do
I don't want to love you
But I will, I will, I will, I will
(I will, I will, I will, I will, I will, I will)

It's out of my hands now, beyond my mind
I don't understand now, my eyes are blind
It's sad to discover what's under the cover
Of their eyes you know

A smile that's blinding is most [unverified]
The path to tomorrow will lead me nowhere
You dim the lights, I see the tears

I don't wanna love you
But I do, I do, I do, I do, I do
Something in my heart tells me be still
(Ba, ba, ba, ba, ba, ba)

I don't want to love you
But I do, I do, I do, I do, I do
I don't want to love you
But I will, I will, I will, I will
(I will, I will, I will, I will, I will, I will)

I don't want to love you
But I do, I do, I do, I do, I do
Something in my heart tells me be still
(Ba, ba, ba, ba, ba, ba)

I don't want to love you
