CHORUS:

I'm dancing round & round
Acting just like a a clown
I know I'll never be free

I'm just a puppet on a string
I've lost my pride & everything
It began on the day we met
She'd kiss me once & I was lost
She thrills me now, I'll pay the cost
Dancing the Nancy's Minuet

(chorus)

(instrumental)

The music's deep within my heart
She looks at me & the dancin' starts
I'm just a foolish marionette
I'll never break a single string
To stay with her means everything
Dancing the Nancy's Minuet

(chorus)
