When I love, I get a feeling
Like I'm traveling through the sky
On the wings of a nightingale

As I ride my head is reeling
But I don't even wonder why
On the wings of a nightingale, I fly

High above, land and sea
I'll be thinking of you and me
Couldn't ask for a better place to be

Oh, I can feel something happening
Oh, I can feel something happening
Oh, I can feel something happening to me

So hold my hand
I've got a feeling that the journey has just begun
On the wings of a nightingale

And if you like, we'll fly together
To the land of eternal sun
On the wings of a nightingale of love

High above, land and sea
I'll be thinking of you and me
Couldn't ask for a better place to be

Oh, I can feel something happening
Oh, I can feel something happening
Oh, I can feel something happening to me

When I love, I get a feeling
Like I'm traveling through the sky
On the wings of a nightingale

On the wings of a nightingale
On the wings of a nightingale
On the wings of a nightingale
