Should we tell him?
To let him go on trustin' isn't fair
Should we tell him?
Should we tell him that his girl doesn't care?

I took my best girl dancin'
Down to my best friend's mansion
He met us at the door and said, "Glad you're here"

Before the dance was over
I saw him call her over
Then he whispered, thought I didn't hear

Should we tell him?
To let him go on trustin' isn't fair
Should we tell him?
Should we tell him that his girl doesn't care?

I left them there together
Thought that I might feel better
Down at this cafe where we used to go

Some of my friends had gathered
Just for some fun and laughter
Then I heard two of them a talkin' low

Should we tell him?
To let him go on trustin' isn't fair
Should we tell him?
Should we tell him that his girl doesn't care?
