Tenderly, tenderly
Come to me tenderly
You're the one I love, you're the one I love

Hold me near, hold me tight
When you're near, it's so right
You're the one I love, you're the one I love

Bridge:
Baby, don't you be afraid to love me, love me
Baby, don't you be afraid to love me
& I'll be good to you

Come to me, come to me
Tenderly, come to me
You're the one I love, you're the one I love
