They say it takes a lot to keep a love alive:  
In every heart there pumps a different beat  
But if we shift the rhythm into overdrive,  
We could generate a lot of heat....

CHORUS

On 52nd Street

On 52nd Street

We're gonna throw a little soul parade,  
Before they know the second bar was played  
We're gonna slip it to 'em short and sweet
