only the good die young

Come out virginia, don't let me wait
You catholic girls start much too late
Aw but sooner or later it comes down to fate
I might as well be the one

They showed you a statue, told you to pray
They built you a temple and locked you away
But they never told you the price that you pay
For things that you might have done.....
Only the good die young
Thats what i said
Only the good die young x2

You might have heard i run with a dangerous crowd
We ain't too pretty we ain't too proud
We might be laughing a bit too loud
Aw but that never hurt no one

Come on virginia show me a sign
Send up a signal i'll throw you the line
The stained-glass curtain you're hiding behind
Never lets in the sun
Darlin' only the good die young
(woah x5)
I tell ya
Only the good die young x2

You got a nice white dress and a party on your
confirmation
You got a brand new soul
Mmmm, and a cross of gold
But virginia they didn't give you quite enough
information
You didn't count on me
When you were counting on your rosary
(oh woah woah)

They say there's a heaven for those who will wait
Some say it's better but i say it ain't

I'd rather laugh with the sinners than cry with the saints
The sinners are much more fun...

You know that only the good die young
Oh woah baby
I tell ya
Only the good die young, x2

(just music here, saxophone?)

You say your mother told you all that i could give you
was a reputation
Aww she never cared for me
But did she ever say a prayer for me? oh woah woah

Come out come out virgina dont let me wait,
The catholic girls start much too late
Sooner or later it comes down to fate
I might as well be the one,
U know that only the good die young

Im telling u baby
Only the good die young x2
Only the gooooooooooooooooooooo
Only the good die young
Only the gooooooooooooooooooooo
Only the good die young
Ooooooooooooooooooooooooooooo oooooooooooooo
ooooooooooooo...
