She's got a way about her
I don't know what it is
But i know that i can't live without her

She's got a way of pleasin'
I don't know what it is
But there doesn't have to be a reason
Anyway

She's got a smile that heals me
I don't know why it is
But i have to laugh when she reveals me

She's got a way of talkin'
I don't know what it is
But it lifts me up when we are walkin'
Anywhere

She comes to me when i'm feelin' down
Inspires me without a sound
She touches me and i get turned around

She's got a way of showin'
How i make her feel
And i find the strength to keep on goin'

She's got a light around her
And everywhere she goes
A million dreams of love surround her
Everywhere

She comes to me when i'm feelin' down
Inspires me without a sound
She touches me and i get turned around

She's got a smile that heals me
I don't know why it is
But i have to laugh when she reveals me

She's got a way about her
I don't know what it is

But i know that i can't live without her
Anyway
