You're having a hard time and lately you don't feel so  
good  
You're getting a bad reputation in your neighborhood  
It's alright, it's alright  
Sometimes that's what it takes  
You're only human, you're allowed to make your share  
of mistakes  
You better believe there will be times in your life  
When you'll be feeling like a stumbling fool  
So take it from me you'll learn more from your  
accidents  
Than anything that you could ever learn at school

Don't forget your second wind  
Sooner or later you'll get your second wind

It's not always easy to be living in this world of pain  
You're gonna be crashing into stone walls again and  
again  
It's alright, it's alright  
Though you feel your heart break  
You're only human, you're gonna have to deal with  
heartache

Just like a boxer in a title fight  
You got to walk in that ring all alone  
You're not the only one who's made mistakes  
But they're the only thing that you can truly call your  
own

Don't forget your second wind  
Wait in that corner until that breeze blows in

You've been keeping to yourself these days  
Cause you're thinking everything's gone wrong  
Sometimes you just want to lay down and die  
That emotion can be so strong  
But hold on  
Till that old second wind comes along

You probably don't want to hear advice from someone

else  
But i wouldn't be telling you if i hadn't been there  
myself  
It's alright, it's alright  
Sometimes that's all it takes  
We're only human  
We're supposed to make mistakes  
But i survived all those long lonely days  
When it seemed i did not have a friend  
Cause all i needed was a little faith  
So i could catch my breath and face the world again

Don't forget your second wind  
Sooner or later you'll feel that momentum kick in  
Don't forget your second wind  
Sooner or later you'll feel that momentum kick in
