We must have lunch real soon  
Your luggage is checked through  
We've got inflation licked  
I'll get right back to you

It's just a standard form  
Tomorrow without fail  
Pleased to meet you, thanks a lot  
Your check is in the mail, lies

Marooned, marooned  
Marooned in a blizzard of lies  
Marooned, marooned  
Marooned in a blizzard of lies

Your toes and knees aren't all you'll freeze  
When you're in it up to your thighs  
It looks like snow but you never know  
When you're marooned in a blizzard of lies

You may have won a prize  
Won't wrinkle, shrink or peel  
Your secret's safe with me  
This is a real good deal

It's finger lickin' good  
Strictly by the book  
What's fair is fair, I'll be right there  
I am not a crook, lies

Marooned, marooned  
Marooned in a blizzard of lies  
Marooned, marooned  
Marooned in a blizzard of lies

You better watch your step  
When your old dog Shep  
Can't even look you in the eyes  
You're cold and lost and you're double crossed  
When you're marooned in a blizzard of lies

We'll send someone right out

Now this won't hurt a bit  
He's in a meeting now  
That coat's a perfect fit

It's strictly fresh today  
Service with a smile  
I'll love you, darlin', 'til I die  
We'll keep your name on file, lies

Marooned, marooned  
Marooned in a blizzard of lies  
Marooned in a blizzard of lies

Walk on, walk on with hope in your heart  
And you're in for a big surprise  
When you're marooned in a blizzard of lies  
Lies, lies, lies, lies
