If it's in your eyes then it's in your mind
If it's in your mind, it's in your thoughts
If it's in your thoughts then it's in your eyes
Will your heart, those words will kill me

If it's in your eyes, then it's in your voice
If it's in your voice, it's in my ear
If it's in my ear then it's in my head
Will your heart, those words will wound me

(This is what it feels like)

Feels like sleep
Feels like sleep
Feels like sleep
Feels like sleep

When I lie in your arms you tell me,
"It's only your heart that matters"
When I lie in your arms you tell me,
"It's only your heart that matters"

Feels like sleep (I close my eyes- eyes we'll never meet)
Feels like sleep (sleep in my)
Feels like sleep (I close my eyes- eyes we'll never meet)
Feels like sleep

If it's in your eyes then it's in your mind
If it's in your mind, it's in your thoughts
If it's in your eyes then it's in your mind
If it's in your mind, it's in your thoughts
If it's in your eyes then it's in your mind
If it's in your mind then it's in your thoughts
If it's in your eyes then it's in your mind
If it's in your mind then this feels like sleep

Sleep in my bed

Feels like sleep (I close my eyes- eyes we'll never meet)
Feels like sleep (sleep in my)
Feels like sleep (I close my eyes- eyes we'll never meet)

Feels like sleep (sleep in my)
