The panics setting, the panics set in
The panics setting, and the panic is set
The panics setting, and the panic is set

Theres a fire in your bed, and you've been trying to
stab it out,
Theres a fire in your mind and its tearing your world
apart,
Theres a lesson here to be learned,
learn it, learn it, learn it, write it down,
theres a lesson here to be learned,
just write it down

The panics setting, the panics set in
The panics setting, and the panic is set
(The panics setting, the panics set in)
The panics setting, and the panic is set
(The panics setting, the panics set in)

Theres a fire in your bed, and you've been trying to
stab, stab, stab it out,
Theres a fire in your mind and its tearing your world
apart, woah
Theres a lesson here to be learned,
learn it, learn it, learn it, learn it, learn it, write
it down,
theres a lesson here to be learned,
just write it down

The panics setting, the panics set in
The panics setting, and the panic is set
(The panics setting, the panics set in)
The panics setting, and the panic is set
(The panics setting, the panics set in)

I would die for you

The panics setting, the panics set in
The panics setting, and the panic is set
(The panics setting, the panics set in)
The panics setting, and the panic is set

(The panics setting, the panics set in)

The panics setting, the panics set in

The panics setting, and the panic is set

(The panics setting, the panics set in)

The panics setting, and the panic is set

(The panics setting, the panics set in)
