Well I get tied down when you cross my mind  
Won't let me back in, but I won't stop trying  
Tried to untie the knot but it's tied really tight.  
Oh, that knot in your heart when you left that night

This love is like water and water gets rough  
Had all I can stand but I can't get enough  
Let me love you again, give me one more try  
Oh if the good Lord's willin' and the creek don't rise

Someone reminded me not to be reminded of you  
'Cause everything's fine, God I wish it were true  
And you run from me like I'm the edge of death  
Honey, please stop running and catch your breath

'Cause love is like water and water gets rough  
You can drown underneath the surface  
So keep your head out

Let me love you again, I think we'll make it this time  
Oh if the good Lord's willin' and the creek don't rise  
Oh if the good Lord's willin' and the creek don't rise
