Slowly we grow old  
And the days they melt away like snow  
Memories and dreams we wont let go  
Take them and off you go

Now I know all about the blues  
Wait until There's nothing to loose  
Oh i miss you  
Would you come home soon

I love you untill i die  
I wont cry  
You make me sight  
Good-bye

Looks like your on your own  
Im sorry that theres noone home  
You see the light and he say's lets go  
You Shed a tear and Say Good-bye

I Love you untill i die  
I wont cry  
You make me sigh  
Good-By
