How do you  
how do you feel?  
When you are  
when you are alone  
Just watching  
just watching things  
Go on their  
go on their own  
It's like a car  
that doesn't pump  
I'm really sick listen to that song  
That talks about peace and love  
Cuz they're not what the words explain

I got you, I got you!

In any chance they change their face  
Pretentious shit we are all the same (x2)

I got you!

OK

1, 2, 3, 4 I get you fine  
1, 2, 3, 4 you by my side  
1, 2, 3, 4 let's just lie  
1, 2, 3, 4

I get you.

How big you pocket it's only growing  
It doesn't seem to be loving  
It's all you care for it's all you care  
Go change your trousers go go change them yeah!  
What is elightment? A form of living  
Into the few words your parents taught you,  
your parents taught you  
your parents taught you!  
I got you  
Got you, got you!

1, 2, 3, 4 I get you fine  
1, 2, 3, 4 you by my side  
1, 2, 3, 4 let's just lie  
1, 2, 3, 4(x2)
