come again and tell me what you know  
our friendship in the way  
so show me that you care  
oh please use me please  
oh please use me please  
with your face you prove things have gone awkward  
with your face you prove things have gone awkward  
oh things have gone awkward  
oh things have gone awkward

just play this game just sit and just stare  
just play be still just sit and stare  
just play be still just sit and stare  
just play be still just sit and stare  
just play be still just sit and stare

oh no no no help me tomorrow and i will be  
oh no no no help me tomorrow and i will be  
oh no no no help me tomorrow and i will be

come again and tell me what you know  
our friendship in the way  
so show me that you care  
oh please use me please  
oh please use me please

just play be still just sit and stare  
just play be still just sit and stare  
just play be still just sit and stare  
just play be still just sit and stare  
just play be still just sit and stare  
just play be still just sit and stare

oh no no no help me tomorrow and i will be  
oh no no no help me tomorrow and i will be  
oh no no no help me tomorrow and i will be  
oh no no no help me tomorrow and i will be
