God tricked again it's all good news
I just want to sleep oh i'm thru oh i'm thru
Stay laid there submission is great ah ah
Oscar wilde was right and tonight
Was right and tonight
Ten hundred faces might be wrong might be right
Oh i love to complain the new way of life
Don't you hate to talk and explain
To talk and explain
Crashing in my car
Makes me smile seven times a day
Seven times a day
Yes yes yes yes i love to complain
Not now not now i'm drinking in bed
Yes yes yes i love to complain
Some things are easy to explain
Not now not now i'm drinking in bed
