my story i'll help you understand  
born raised in japan  
left school i was 15  
left home went to berlin  
i moved i walked i walked  
sensation of stopping shocked

the sisters never aproved  
i went through life feeling guilt  
worked raped exploited i built  
a job a trip to brazil

and wore a suit and a sale  
sandy beaches money and  
i moved i walked i walked  
sensation of stopping shocked  
i moved i walked i walked  
sensation of stopping shocked

won't you tell something  
won't you just try to understand

wait don't go wait don't run  
mom told me wait be steady be locked  
be ready for things just like this  
mom told me wait be ready be locked  
be steady for things just like this  
wait don't go, wait don't run, wait don't stay

my story i'll help you understand  
born raised in japan
