Wake up the sun is out
Been watching tv till 3 in the morning
Porno and cartoons
He is in the bedroom it's just a blue groom
Sings a songs as sad as a social ad
Just today yeah just in one day
Goes out hands a cup it's his totality
It's his reality
Been taught to serve like that
An only way yeah an only way yeah
K47 f19 in a cartoon yeah in a cartoon yeah
I wake up late tv tonight
I'm not alright show me your face
Tv tonight it's a desgrace
Tv tonight it's in your face
