Written by d. johnson
Produced by matt wallace
Previously unreleased (1994)

So, you think you've found the one
And she knows just how you feel
And you say that she's for real
And she's fun.

Well, that's all well and good
It's just the way it should be
To understand to be understood
Is to be free.

So, I think that you should go
Go on ahead now
Take her in your arms
And be wed.

Go, go, go, go, go
You restless soul, you're gonna find it
Go, go, go, go, go
You restless soul, you're gonna find it, yeah.
Life's a bowl of cherries
You can have as many as you can carry
And someone would say that life is like a cow
But I don't know how (bag of lies).

But anyhow, here we are all on this planet
Takin' everything for granted
But I think you've caught onto somethin'
Don't go, no.

Go, go, go, go, go
You restless soul, you're gonna find it, ohhh
Go, go, go, go, go
You restless soul, you're gonna find it.

Oh, yes you will
You've found it
Oh, yes you will
You've found it.

Oh-oh.
