Released on 'now and then' (1995)

It started out just like any summer  
When days are felt like a lifetime long  
That's when we found each other  
And we found ourselves, oh oh oh.

Now and then (now and then)  
Don't have to look back  
Now and then (now and then)  
You're right here with me  
Now and then, oh my friend  
Don't say goodbye again.

Lookin' in your eyes was like a mirror  
Every single joy and fear  
All for one and one for all  
Yeah, we did it all.

Now and then (now and then)  
Don't have to look back  
Now and then (now and then)  
You're right here with me  
Now and then, oh my friend  
Don't say goodbye again.

And though it was long, long ago  
So here, here inside I know.

Now and then (now and then)  
Don't have to look back  
Now and then (now and then)  
You're right here with me  
Now and then, yeah my friend  
Don't say goodbye again.

Lookin' in your eyes was like a mirror  
Every single joy and fear  
All for one (all for one) and one for all

Yeah, we did it all.

Now and then (now and then)  
Now and then (now and then)  
Now and then, oh my friend  
Don't say goodbye  
Don't say goodbye  
Don't say goodbye again.
