One day I'm gonna make  
Everybody love me  
I'm gonna etch my name  
On top of all of their hearts

Just to have that  
Feeling surround me  
I'm gonna white  
Out all of my past

One day I'm gonna make  
My own mind change  
I'm gonna toss out all of these thoughts  
And forget who I've been

Counting all the time  
I've spent dreaming about you  
Without name, without face  
Without pride, I can finally begin

One day, someday  
I'm gonna make you love me  
One day, someday

One day I'm gonna make  
Everybody love me  
I'm gonna etch my name  
On top of all of their hearts

Just to have that  
Feeling surround me  
Another chance  
And a brand new start

One day, someday  
I'm gonna make you love me  
One day, someday

Out on the town  
And I'm on my own  
Lost in a crowd  
But I'm feeling alone

One day, someday  
I'm gonna make you love me  
One day, someday

One day, someday  
I'm gonna make you love me  
One day, someday
