"Yo Mack, I don't even UNDERSTAND how they didn't  
understand you in  
that Mary joint!"  
"Yeah, I know, man."  
"Kick that ol' robotic, futuristic, George Jetson, CRAZY  
JOINT!!"

Just...like... Uniblab, robotic kickin' flab  
My flavor be the badder  
chitter-chatter  
Madder than the Mad Hatter (1)  
I bet you my shit come out fatter  
got the data  
to turn your body into antimatter (2) {...body into  
antimatter...}  
And just like a piece of sizzlean  
you'll fit inside my stomach  
with the eggs and grits between {...take 'em down,  
Mack...}  
The King is what I mean  
I mean  
my man get a cup  
and put some change inside your hand {...take 'em  
down, Mack...}  
Now hold up,  
let's make this official {...make it official}  
everybody let's agree that M.C.'s need a tissue {...wake  
'em up}  
The funk's my only issue,  
I bet your mama miss you  
and I bet the Mack take off like an M.X. missile  
No more of your whining  
on the charts climbing  
as I make the funk  
kickin' out more harder than a diamond {...harder than  
a diamond}  
And if you didn't know who's rhyming  
I guess I'm gonna say Craig Mack  
with perfect timing  
  
..you won't be around next year

My rap's too severe, kickin' mad flava in ya ear {...KICK  
IT DOWN!}

CHORUS:

Here comes the brand new flava in ya ear  
{...brand new flava in ya ear...}  
[time for new flava in ya ear]

I'm kickin' new flava in ya ear

[Mack's the brand new flava in ya ear...]

Craig Mack  
1000 degrees  
You'll be on your knees  
and you'll be burnin', beggin' please  
Brother FREEZE! {BOY!...}  
Man's indisputed  
and deep-booted  
funk smoke that leaves your brains booted  
This bad M.C.  
with stamina like Bruce Jenner(3)  
the winner  
Tasting M.C.'s for dinner  
You're crazy like that glue {...you're crazy, boy, You're  
crazy.}  
to think that you  
could out-do  
my one-two  
that's sick like the flu {...shake 'em down, Mack}  
BOY, I flip  
BOY all the time, 'cause  
BOY, the rhyme you're kickin' {HAAAAAAAAAAA! BOY!...}  
ain't worth a dime  
Seems like there's no competition  
in this rap world expedition  
You come around,  
I'll knock you out [of] position {... knock 'em out!}  
No flav  
could ever dig a grave  
for the Mack  
the power pack  
in black  
makin' cement crack {...make it crack...}

..and here comes the brand new flava in ya ear  
Mack's the brand new flava in ya ear

Here comes the brand new flava in ya ear  
{Here- comes- the- brand- new- flavor-...  
[time for new flava in ya ear]}

...in- your- ear...  
I'm kickin' new flava in ya ear  
...BOY!!!}  
[Mack's the brand new flava in ya ear...]  
{Flavor down...}  
Here comes the brand new flava in ya ear  
{Flavor, Flavor, here comes the flavor}  
[time for new flava in ya ear]

I'm kickin' new flava in ya ear

[Mack's the brand new flava in ya ear...]  
{Flavor in ya ear, boy...}

HAAAAAAA!  
The Mack's dope  
With more hope than your Pope  
but for M.C.'s more knots than rope  
I'd like to break it down  
down-breakin'  
forsaken  
lords of M.C.'s shakin  
with this track that my man's makin'  
M.C.'s will run like a bomb threat  
I bet {what?}  
or better yet {huh?}  
make you sweat  
Gettin' hotter than the sun get {yup!}  
Craig Mack is the flav that romps  
from here to Tibet {BOY!}  
I break all rules  
with my action  
that the Mack sends  
to M.C.'s stop relaxin'  
This brand new Sherrif that's in town's  
gettin' down  
leavin' bodies buried in the ground {...rest in peace...}  
I set up rhymes for a decoy  
To off a bad boy {OOOhhhh!}  
Watch the M.C.'s I destroy and.... {BOY!!}

Here comes the brand new flava in ya ear  
{time for new flavor...}  
[time for new flava in ya ear]  
...fla-VOR!!}  
I'm kickin' new flava in ya ear  
{time for the flav...}  
[Mack's the brand new flava in ya ear...]  
...boy, here come the Mack}  
Here comes the brand new flava in ya ear  
{HAAAAAAA!...

[time for new flava in ya ear]  
...wakin' up with flavor!!}  
I'm kickin' brand new flava in ya ear

[Mack's the brand new flava in ya ear...]  
{HAAAAAAAAA!...BOY...}
