AAAAAAHHHHHHHHHHHHH!!!!

Now who the flav  
That comes a dime a dozen  
Thinking that is phat but wasn't  
Welcome to the world of Mack  
(of Mackman)  
Like Biggie Smallz might say  
I eat'em shits like pac-man  
I'm incredible better eat ya vegetables  
Cause... I does what I do you  
(Do it!)  
I fake the roof off of soft suckers  
Super smackin...macking ...full effect mike check one  
two  
I'm a reign...rain forever  
Rain like bad weather....reign like whoever never  
You can't bite my style  
Cause my style ain't a style  
That is a style  
So I can go buck wild  
Betcha figure you got more funk for flow  
It ain't so  
Flava in Ya Ear letcha know  
Now I'm about a second, from the Hook duk  
Strap ya rap book  
Before you get ya wet style shook

#### CHORUS

Can I get down  
Get down  
Get on down  
Can I get down

The Mack's like a superintendent  
Burning MCs leaves a foul scent  
See I'm like what ya call...king a yes ya'll  
My style wreck shit...I mean real shit  
Shit's thick..I come with the ammo  
The real whammo stammo stuff that I be droppin  
I wake great the lets warm up the hot plate

I'm changing fate from the neck I'm a castrate  
My rap loves to alienate  
Shake ya ass to the stake  
You sunk by domniate  
See I ain't scared of you muthafuckas  
To me ya all suckers cause I make the ruckus  
Don't try to buckus we roll with the cuf  
No cuf on the roof bitin' like a sabertooth  
I pound on the ground when I get down  
So let me get down....let me get down

#### CHORUS

To leap a tall building  
Crush the earth-a-phone  
But I'm sayin ain't no fair when MCs roam  
The mic now in the right hands  
Cause the Macks and the earths are the worthy of plans  
More pep than the peppa thats in ya peppa shaka  
Ruff earthquaker..couldn't take me if ya mama make  
ya  
I back up the funk that I bring  
With unknown to mad slang  
With bigger bite than the double-bang  
I ain't met boot to hand  
If ya testin in ya lesson  
Got me dressin for ya funeral session  
Man.....It won't even matter no more  
Craig in 94' just won the war  
My style definite to take ya over  
Have ya sittin look over in a four door Chevy Nova  
(Why yi yi)  
I figure its a slaughter  
In the world of colins(?)  
Ya shit ain't nothing but a quarter  
The name of the track is Get Down  
So let me Get Down and pound other MCs in the ground

#### CHORUS
