Been sitting 'round here baby,
Thinking 'bout our last long talk.
Been sitting here at this table at your favorite
restaurant.
Been hoping I could meet you here so that I could make
this perfectly clear
That all I do is think about you since you went and left
me on my own

I'm so alone, ohhhh,
I'm so lonely baby. And i need to say that..
I know I was wrong, ohhhh. and I'm asking you to come
back home
Don't wanna be here alone

Missing your sweet body baby, tears are streaming
down my face, yeah
Go on and make your mind up-your mind up
I ain't got no where to be right now, baby
But loving you's a long, long way from here
And all I ask of you my dear
Is maybe you would reconsider all the love you've
missed since you've been gone

I'm so alone, ohhh
I'm so lonely baby, and I need to say that I know I was
wrong, I was so wrong
And I'm asking you to come back home, don't wanna
be here alone

I know I was the fist to say good-bye, I was a fool baby
Look at these tears in my eyes

And if loving you's a long, long way from here, then all
I ask of you my dear
Is maybe you would reconsider all the love you've
missed since you've been gone

I'm so alone, ohh, I'm so lonely baby, and I need to say
that
I know I was wrong, I was so wrong

And I'm, asking you to come back home, don't wanna
be here alone

I'm so alone, ohhh, I'm so lonely baby. Ohh yes,
And I know that I was wrong, oh I was wrong
But I'm asking you to come back home, I don't wanna
be here alone

I'm so alone.....
(fades away...)
