(Buck Owens - Don Rich)

Oh you say that you're goin' away and leave me  
And you say you ain't never coming back  
That you're sick and tired of how I'm doing  
And you're gonna head off down the track.

But darlin' before you go be sure you know how much I  
love you  
And that I'm sorry for the quarrels that we had  
If you leave you're gonna tear my world to pieces  
So take it slow be sure you know before you go.

Oh, your wounded pride has blinded your reason  
And right now you want to hurt me if you can  
The cab is waiting here to take you to the station  
And you're leavin' with your ticket in your hand.

But darlin' before you go be sure you know how much I  
love you  
And that I'm sorry for the quarrels that we had  
If you leave you're gonna tear my world to pieces  
So take it slow be sure you know before you go...
