(Buck Owens)

They said that too much water has run under the
bridge
That we never can live down the past
And that once our love has ended it never can return
But that's not so for we both know that our love will last.

High as the mountain, deep as the sea
Tall as the tallest, tallest tree
That's how much I love you that's how much you love
me
High as the mountain, deep as the sea.

(It might be they're just jealous and don't want to
understand
That our love will pass the test with room to spare
But it's just their conscience talkin' of their broken
dreams and plans
For it shows and we both know that our love will last.)

High as the mountain, deep as the sea
Tall as the tallest, tallest tree
That's how much I love you that's how much you love
me
High as the mountain, deep as the sea.

High as the mountain, deep as the sea...
